Re: Benthos v. Etra 20 cv 03384

Dear Judge Parker,

The Jewish High Holiday period is over and my doctors want to renew without further delay tests and procedures arising from my conditions found on my October 13th hospital visit and postponed until now. I am to avoid stress and medical and physical strain during such period between now and November 14th when there will be a summary review of my condition among the doctors at Weill Cornell New York Presbyterian Hospital.

I have said that I will continue to comply with Your Honor's Orders, and ask as a suggested compromise, that my filing date in response to petitioner's papers be rescheduled for November 18th and a subsequent hearing be scheduled sometime thereafter when convenient to Your Honor.

Respectfully submitted,

Aaron Etra
